Dear Tony,

I would like to write to you about my last weekend. On Saturday I got up at 9 o'clock and had breakfast. After it I did my homework, then I listened to music.

At half past 12 we had lunch. It was very tasty. In the afternoon I met my friends and we went out. We went to the cinema and watched a new American comedy.

We liked it so much!

I came home at 8, had dinner and I went to bed at about half past 10.

What about you? Write me soon.

Best wishes.

Yours,
